

Make it @ Switzer for Teens Homemade Art Supplies

Join us at Switzer to learn how to select materials from our earth to make environmentally-friendly art supplies. The presenter will talk a little bit about sourcing materials from outside, will present a hands-on demonstration on how to make a rock-based paint, and will have a variety of items for teens to test out such as homemade crayons, charcoal, and rock paints. Presented by Jenn Fletcher, artist and educator, via Explore Wildwood.

Date: Nov. 28th 2017
Time: 4:00pm– 5:00pm
Location: Switzer library
266 Roswell Rd Marietta GA 30060
